Article one definitions

Country : United Arab Emirates.

The Ministry : The Ministry of Economy.

Minister: Minister of Economy.

Department : The Department of Origin and Combating Harmful Practices in the Ministry.

Article two

Treatment of rice products originating in the Republic of India

1. It is prohibited to export and re-export rice originating in the Republic of India imported into the country, including the free zones, after the date of July 20, 2023 on all items under the harmonized system code of the unified customs tariff, according to what is shown in Table No. (1) :

Chapter	Category	HS code
1006	Rice	10061000 : Rice in the husk (paddy or rough) 10062000 : Husked (brown) rice 10063000 : Semi milled or wholly milled rice, whether or not polished or glazed 10064000 : Broken rice

2. Companies wishing to export or re-export the items mentioned in Table No. (1) of this decision, which origin is in the Republic of India and imported to the country before the date of July 20, 2023, shall apply to the Ministry in order to request export permission outside the country supported by all documents and files that help verify the data related to the shipment to be exported in terms of origin, the date of the transaction and any other requirements that the Ministry may require in this regard.

Article three

Treatment of rice products non-originating in the Republic of India

Companies wishing to export or re-export the items mentioned in Table No. (1) of this decision and non-originating in the Republic of India, shall apply to the Ministry in order to obtain export permission outside the country and supported by all documents that help verify the origin of the shipment to be exported outside the country.

Article four

Permission to export rice products

1. The export permission issued by the Ministry is valid for 30 days from the date of its issuance and it must be submitted to the concerned customs administration for the sake of completing the customs procedures to export the shipment outside the country.

2. The application is to be submitted to the administration through e-mail : Antidumping@economy.ae or directly to the Ministry of Economy.

Article five

Duration of application

The procedures stipulated in this decision are applied for a period of four (4) months from the date of its issuance, and this period is willing to be automatically extended unless a decision is issued to cancel its implementation.

Article six

Publication and implementation

The competent authorities shall implement this decision, and it is enforced from the date of its issuance.
