**Minister of Economy and Planning**

**Greetings and good wishes,**

With reference to your letter No. 1/1/M/EP/2624 dated 25/10/2005, attached to which is a memorandum on the non-renewal of several commercial agencies registered with the Ministry;

Please be informed that the Cabinet, in its meeting No. (1) held on January 2, 2006, has approved the following:

- A. Your Ministry shall publish a notice in local newspapers, advising the owners of non-renewed agencies to promptly renew their registrations, failing which their registrations will be canceled following the expiration of the specified notice period.
- B. Your Ministry is authorized to cancel non-renewed commercial agencies by the end of 2004, provided that their owners had been previously notified as per the earlier notice. The renewal fees and any outstanding fines will be waived until the date of cancellation.

C. Your Ministry is authorized to cancel any commercial agency that has exceeded one year past the renewal date without action by its owners. The renewal fees and fines for these agencies will be waived, without requiring a separate decree from the Cabinet.

Kindly take the necessary actions in this regard.

Respectfully,

*Hamad Abdul Rahman Al Madfa*

*Minister of Health*

*Acting Minister of State for Cabinet Affairs*
